Subject: SR 61 Crawfordville Highway Construction Reimbursement

Dear Mr. Park:

The Florida Department of Transportation has reviewed the increase in the construction estimate for the SR 61 Crawfordville Highway project. It has been determined the reimbursement for the additional deposit of \$6,000,000 can be scheduled for state fiscal year 2008. The original JPA amount of \$13,600,000 remains scheduled for reimbursement in state fiscal year 2006. Both scheduled reimbursements will be lump sum payments in the first quarter of the fiscal year.

If you have any questions or concerns, please contact me at your earliest convenience. I can be reached at (850) 638-0250 extension 214.

Sincerely,

Tommy Barfield, P.E.
District Production Engineer
